PUSE Task Number

C

226

Description of the task:

Below you can see a 6-element “wavy chain” of the same base colour with same colour and size connections.

1. How many 6-element chains are possible with these rules?
2. Is there a link between the number of solutions in this task and the number of rings constructed with the same rules? (see Task 225_C)

Solution(s) of the task:

Remarks / Self-evaluation:
